50X1-HUM

1. A number of graduates in engineering from Polish polytechnic institutions have recently been called up for military service, 110 of them from Gdansk Polytechnic Institute. There is no right of appeal on health or any other grounds. These conscripts receive three weeks of military and political training. They are then promoted to the rank of lieutenant, and attached to military units as military engineers.
2. Ten conscripts from Gdansk Polytechnic Institute have been attached to the Navy. Architects are assigned to the Air Force and employed on airport construction. Between 10 and 20 graduates in electrical engineering have been sent to the Signal Training Center at Zegrze.
3. On 1 April 1961, reservists of the 1913, 1915, and 1914 classes were called up for two months of training.
